

What about a new way of thinking?

Delipac zero plastic barrier packaging board.

Suitable for confectionery, FMCG - frozen food, ice cream, convenience food, food & drink-to-go, ready meals, (ovenable/microwavable/freezable).

We are all about end of life!

Recyclable (anywhere), Biodegradable (naturally), Compostable (home).

This is sustainability in packaging in the fullest sense!

Clear concise and without ambiguity.

We do not believe in compromise.

Proud to be a part of the solution, not part of the pollution.

For a better planet.

DeliPac
heat-sealable biodegradable™
